

## Doing the Most Good®

The Salvation Army in the Midwest

HeatShare

HeatShare is a voluntary nongovernmental program of the Salvation Army. It is designed to assist those in need with heating bills during the winter season.

Your neighbors, friends and businesses all help with HeatShare. When you give to HeatShare, you are helping warm the lives of the elderly, disabled and others who have nowhere else to turn. HeatShare is a last resort for many who have no other resources available to see them through the winter.

You can help by sending a tax-deductible contribution to Fairmont Public Utilities. Your contribution will be used for those in need in your community. Please make your check payable to HeatShare and enclosed the bottom portion of this form with your payment.
