ORDINANCE 2022-09

AN ORDINANCE AMENDING ORDINANCE 2021-02 ESTABLISHING A RURAL AND URBAN SERVICE DISTRICT WITHIN THE MUNICIPAL LIMITS OF THE CITY OF FAIRMONT

WHEREAS, the Martin County Treasurer/Auditor has been maintaining a tax roll of properties in the City of Fairmont, consisting of two separate taxing districts one classified as Rural Service District and the other classified as Urban Service District; and,

WHEREAS, these properties are taxed at different rates due to the different demands on municipal services generated by the parcels in each type of district; and

WHEREAS, it is in the best interest of the City of Fairmont to periodically review the Rural Service District and the Urban Service District for taxing purposes to ensure that properties are properly designated as Rural Service District parcels and Urban Service District parcels.

NOW THEREFORE the City of Fairmont does ordain that Ordinance 2021-02 shall be amended as follows (strikeouts indicate deletions and underlines indicate additions):

Section 1. Purpose. Pursuant to Minnesota Statute 272.67, the City of Fairmont hereby divides the area within the City of Fairmont’s municipal limits into an Urban Service District and a Rural Service District creating separate taxing districts for the purpose of levying municipal property taxes except those levied for the payment of principal and interest on bonds and judgments.

Rural Service District. Urban Service District. All the parcels of land within the boundaries of the City of Fairmont that are not included in the Rural Service District.

Fairmont City Council
July 25, 2022

Agenda Item: 9.1

From: Cathy Reynolds, City Administrator
To: Mayor and City Council

Subject: Proposed Charter Amendment Ballot Questions

Policy/Action Requested: Motion to approve Resolution 2022-30 approving the form of questions and directing the Martin County Auditor/Treasurer to place the questions on the ballot.

Vote Required: Simple Majority Roll Call

Recommendation: Staff recommends that council approve Resolution 2022-30.

Overview:

The Charter Commission has been meeting since April 2021 reviewing the City Charter. Through their reviews they recommended several changes to Chapter 1 and 2 of the Charter. These changes were originally forwarded to the City Council for review and action. The changes were summarized in Ordinances 2022-01 to 2022-06. The council held a public hearing on the ordinances and then voted to not approve the ordinances with the proposed changes at their meeting on March 28, 2022. The Charter Commission then voted to send the recommended amendments to the Charter to the voters at the general election.

Since the original changes to chapters 1 and 2 were forwarded to the city council, the Charter Commission has voted to recommend additional changes to the Charter section 3.05 Procedure on Ordinances, 6.03 Purchase and Contracts, and 6.04 Contracts, how let. These recommended changes were not forwarded to council for adoption by ordinance and instead are being sent directly to the ballot. The recommended changes to these Charter sections are contained in attachment 1.

Per Minnesota Statute 410.12 Subd 4. the form of the ballot (questions) shall be fixed by the governing body (city council). The Council has the authority to set the form of the ballot question but must forward the proposed changes to the ballot. The Charter Commission does not have the authority to submit the ballot questions directly to the County.

Based on the Charter Commission's recommended changes the City Attorney drafted ballot questions. The questions were then provided to the Charter Commission to review during their June meeting. The Charter Commission recommended a completely different set of questions to be forwarded to the ballot. Both sets of questions were sent to the League of Minnesota Cities (LMC) for review in accordance with the Charter Commissions desire to utilize the League's services and not those of the City Attorney.

The LMC provided feedback to the City on July 11, stating that the questions drafted by the City Attorney were simple, clear, and resembled the format typically seen for ballot questions. They did not recommend the forwarding of the questions as drafted by the Charter Commission. The questions as drafted by the City Attorney are contained in Resolution 2022-30.

The questions relate to the following proposed changes:

Question #	Charter Section(s)	Ordinance
1	1.02, 2.03, 2.06	2022-01
2	2.01	2022-02
3	2.06	2022-03
4	2.08	2022-04
5	2.10	2022-05
6	2.10	2022-05
7	2.10	2022-05
8	2.15	2022-06
9	3.05	None
10	6.03, 6.04	None

Staff recommends that Council approve Resolution 2022-30 approving the form of the ballot and forwarding the questions to the Martin County Auditor/Treasurer for inclusion on the 2022 general election ballot.

Sec. 3.05. Procedure on ordinances.

The enacting clause of all ordinances shall be in the words, "The City of Fairmont does ordain." Every ordinance shall be presented in writing. No ordinance, except an emergency ordinance, shall be adopted at the meeting at which it is introduced. At least three (3) days shall elapse between the introduction and the final adoption of all ordinances other than emergency ordinances.

Sec. 6.03. Purchase and contracts.

The council shall be the chief purchasing agent of the city. All city purchases and contracts shall be made in compliance with the Uniform Municipal Contracting Law, and whenever competitive bids are required, the contract shall be let to the "lowest responsible bidder". "Lowest responsible bidder" shall be interpreted as giving the council the right to accept any bid which it determines is more advantageous to the city. The council may, however, reject any and all bids. All contracts, bonds, and instruments of any kind to which the city is a party, shall be signed by the mayor and the city clerk on behalf of the city and shall be executed in the name of the city. The council may delegate the administration of purchasing procedures according to rules adopted by the council. In all cases of work to be done by contract, of any kind, the council shall procure bids in such manner as may be designated by the council. Subject to the provisions of this charter, the council may by ordinance adopt further regulations for the making of bids and the letting of contracts.

Sec. 6.04. Contracts, how let.

(Repealed)

~~In all cases of work to be done by contract, of any kind, where the amount involved is more than five thousand dollars (\$5,000.00), unless otherwise provided by an emergency ordinance, the council shall procure bids in such manner as may be designated by the council. Contracts of this magnitude shall be let only by the council to the lowest responsible bidder. The council may, however, reject any and all bids. Subject to the provisions of this charter, the council may by ordinance adopt further regulations for the making of bids and the letting of contracts. All contracts shall be let to the "lowest responsible bidder", and shall be interpreted as giving the council the right to accept any bid which it determines is more advantageous to the city.~~

Subject: Discussion on Edible Cannabinoid Products

Policy/Action Requested: Discussion

Vote Required: ____ Simple Majority ____ Roll Call

Recommendation:

Overview:

A new law was enacted at the end of the 2022 legislative session that allows certain edible and beverage products infused with tetrahydrocannabinol (THC) to be sold. Since the enactment of the law, the League of Minnesota Cities has been researching and collecting information from state agencies and stakeholders to answer questions pertaining to local regulatory authority, law enforcement, taxing, and employment. Many cities have been passing moratoriums on the sale of these products until information can be gathered to put together information for addressing the sale of these products.

Staff will have additional information for council discussion during the meeting.
