

# Get PAID to become a lifeguard for the Fairmont Aquatic Park!

## Here's how it works...

After passing Lifeguard Training and working 250 hours at the Aquatic Park in 2025, you'll get \$5.00 per hour for the time spent taking the class PLUS you'll get \$100 to offset the course enrollment fee.

Also, after working 250 hours in 2025, you'll receive a \$50 end of year bonus. If 60 of those 250 hours are earned from August 9-23rd, you'll get ANOTHER \$50 bonus.

Work another 250 hours next season and receive ANOTHER \$100 to offset the course enrollment fee PLUS qualify for the additional end of season bonuses!
