Lee Steinkamp
Fairmont Airport Manager

Fairmont Airport Advisory Board Minutes
February 11, 2025, 5:30pm

Board members Present: Jeff Ziemer, Ernie Nuss, Ron Lindberg
Council Liaison Present: Jay Maynard
Staff Present: Lee Steinkamp, Airport Manager.
Others: Jake Braunagel, KLJ Engineering via phone

The meeting was called to order at 5:30 PM.
Jeff Ziemer made a motion, seconded by Ernie Nuss to approve the minutes from the January 14, 2025, meeting. All in favor, motion carried.

Airport consultant update

An update was provided by Jake from KLJ Engineering on current projects.

The Airport Manager's Report

An update was given by the manager on airport projects. Hangar door damage is still in progress. A grant was applied for to purchase a new zero turn mower. We were selected to receive a grant for the mower.

Old Business:

The terminal exterior rehab project was discussed. The project is substantially complete. 2024 fuel sales were discussed. New board members were discussed.

New Business:

The board had a discussion on the state of the current fuel system and a new fuel system. No action taken.

No other business, Jeff Ziemer made a motion to adjourn the meeting 5:56 pm with a second by Ernie Nuss. All in favor, motion carried.

Respectfully submitted:

Lee Steinkamp
Fairmont Airport Manager

WORK IN PROGRESS

Master Plan (MP) & Airport Layout Plan (ALP) Update
KLJ #2305-00694 AIG #3-27-0029-022-2024
Facility Inventory and RSA Determination are substantially completed. Revised Aviation Forecast/Critical Design Aircraft submitted to FAA on April 15th. Currently working on refinement of Terminal Area Alternatives and drainage basin locations based on feedback from the April 15th MPAC meeting and updating Alternatives chapter. Next MPAC meeting will be held in June (date TBD).

Taxiway A Lighting & Signage Replacement - Design
KLJ #2205-00853 AIP #3-27-0029-023-2024
The Bid Opening was held on April 17th and one bid was received that was above engineer's estimate. The recommendation is to move forward with the project as the airport has available funding to complete the project and delaying the project would jeopardize the FAA Supplemental Discretionary Grant that was listed on the Notice of Intent to Award list approved by Secretary of Transportation on September 6, 2024.

Taxiway A Lighting & Signs Replacement and Removal of Non-Standard Hold Bay – Construction
KLJ #2505-00248 AIP #3-27-0029-024-2025 (Pending) and #3-27-0029-025-2025 (Pending)
Grant applications are scheduled to be presented to the City Council for approval on April 28th. Grant applications will be submitted to the FAA & MnDOT for processing once approved by the City Council. Grant offers are anticipated in June 2025. The KLJ Construction Administration & Observation (CACO), Materials Testing, and Construction Staking Services Task Order is scheduled to be presented to the City Council for approval on April 28th. Construction is anticipated to start in August 2025.

OTHER ITEMS

- KLJ is working to finalize a task order to produce plans and specifications for the Hangar Doors Replacement project to advertise the project for bids.

ITEMS REQUIRING ACTION BY CITY/AIRPORT

- AIP #3-27-0029-024-2025 – Approve grant application.
- AIP #3-27-0029-025-2025 – Approve grant application and KLJ task order.

ITEMS REQUIRING ACTION BY MnDOT Aeronautics

- None.

ITEMS REQUIRING ACTION BY FAA

- None.
